RIEKUS

Riekus's work as a painter and sculptor grows out of a fascination for craftsmanship, and an innate knowledge of the singular properties of materials and their transformations. His practice addresses past and current interactions between humanity, nature and culture. He mostly works on ongoing projects, such as Resin Paintings, Ship of Fools, Powerfigures, Captain of Freedom, Intrusive Relationships, Hundred Souls (Zielen), Shamepoles, Metal Paintings, Machines of Subjectivication.

Riekus was born in 1973, and now lives and works in the Netherlands and France. He received his M.F.A. (2000) and Meisterschüler (2001) from Kunsthochschule Kassel, in Germany. His works are featured in several private and public collections.
